## Web Developer

Saidabad., Hyderabad, 500059 | 9347679388 | chevulasomesh2504@gmail.com

### PROFESSIONAL SUMMARY

---

Dynamic and motivated Full Stack Web Developer Intern currently pursuing a Bachelor of Engineering in Computer Science. Passionate about developing innovative solutions using modern web technologies. Proficient in both front-end and back-end development with practical experience in the MERN stack. Eager to apply technical skills and contribute to impactful projects in a collaborative environment.

### EDUCATION:

---

Bachelor of Engineering in Computer ScienceMatrusri Engineering College, Hyderabad, Telangana  
Expected Graduation: Aug,2026

### WORK EXPERIENCE:

---

#### Fresher

- Gained hands-on experience in developing responsive user interfaces using React and CSS.
- Collaborated on back-end development utilizing Node.js and MongoDB, optimizing database queries for performance.

### RELEVANT PROJECTS:

---

#### Full Stack Application Project

- Objective: Developed a full-stack application for FoodDelivery Application
- Role: Led both front-end and back-end development. Designed responsive UI components with React and managed server-side logic using Node.js.
- Skills Utilized: MERN stack (MongoDB, Express.js, React, Node.js), CSS, JavaScript
- Impact: Successfully deployed the application, enhancing user engagement with an intuitive interface and reducing load times by 30%.

#### Front-end Project

- Objective: Created a dynamic web page that showcases GameZone
- Role: Solely responsible for the front-end design and implementation.
- Skills Utilized: React, CSS, JavaScript
- Impact: The project achieved a clean design and high user satisfaction, receiving positive feedback from peers in user testing.

### SKILLS:

---

- Front-end Development: React, JavaScript, CSS
- Back-end Development: Node.js, MongoDB, SQL
- Version Control: Git
- Soft Skills: Problem-solving, Team collaboration, Effective communication

### CERTIFICATIONS AND AWARDS

---

#### MERN Stack Developer Certification

- Completed a comprehensive course covering all aspects of the MERN stack, directly aligning with full-stack development capabilities.
